Studio Policy: Imagine Wesley Lessons

In order to secure a time-slot with an instructor, please send the following information to the address above: 1) a completed online registration form, 2) a signed copy of this studio policy, 3) Tuition made payable to “Play More Music”. Thank you!

General

- Play More Music is a group of passionate instructors with a commitment to music education. Our mission is to instill a life-long love of music in our students by fostering creativity and excellence in practice and performance.
- The goal of this studio is for students to have fun making music. It is a learning experience that takes dedication, practice, and patience - but the rewards are well worth it.
- All instructors will be positive, encouraging, and honest about each student’s individual needs.
- Students may choose to participate in studio recitals and may be required to participate in other recitals.
- Parents are welcome (and encouraged) to attend lessons.
- Students are required to sign up for groups of lessons corresponding to the fall and spring school semesters.
- It is essential for the student to be prepared with their books and instrument at every lesson. Students who are unprepared may forfeit their lesson.
- This studio policy is subject to change. A current version of the studio policy is posted on our website.

Payment Terms

- Each 30-minute lesson is \$25. One-time registration fee of \$30 applies to new students.
- Students must commit to an entire session of lessons, but monthly payments may be arranged.
- Books are \$8 each ordered through the student’s instructor and billed to the account with parent’s permission.
- Statements are sent to the email address provided on the registration form.
- Tuition is due one week before the next session begins. A 5% late fee applies to payments received after the due date.
- Make checks payable to “Play More Music” and mail to address above or pay online.
- No refunds are issued – your payment reserves a lesson slot with the instructor for the semester.
- Play More Music reserves the right to cancel any lessons and accompanying time-slots for accounts which are not paid in full. No make-up lessons or credits will be applied.

Make-up Lessons

- Make up lessons will be provided for any lessons that are cancelled due to school holidays. These lessons will be rescheduled for after-school hours, and will be arranged directly with parents.
- Make up lessons will not be provided if a student does not attend (i.e. activity conflict or absence from school).
- Any lesson canceled due to a teacher’s conflict will, of course, be made up.

I have read the Play More Music studio policy in its entirety, and I understand and agree to its conditions.
